Dear Ms. Stremmer:

This letter is to thank Custodial Support Foundation (CSF) for the opportunity to be a guest on The Custodial Support Forum: Child Support Issues and Solutions. It was a pleasure to work with CSF's team as we explored the significant impact domestic violence has on the custodial parent as well as the arduous process of collecting arrears from an abusive non-custodial parent. Kindly confirm the airing date of September 1, 2012. Bergen County Administration, Department of Human Services, and Alternatives to Domestic Violence (ADV) need to be notified of the date, time and channel of the screening as all would like to support your ratings by viewing the episode.

CSF donation of fifty (50) subscriptions to your Collection Program is a generous gift and a welcome surprise. Prior to announcing the subscriptions to ADV's staff and victims of domestic violence, it is necessary for us to collaborate on developing an eligibility criteria and procedures to access this service. Please advise me of your designee that will assist with creating the protocol, so an announcement and implementation may commence.

ADV greatly appreciates the years of pro bono services you have generously provided to our clients and anticipates a similar relationship with CSF. Again, thank you and CSF for the efforts and support offered those we serve.

Very truly yours,
